## SPONSORS PROFILE

### KERRY ANN DERKSEN FLOWER GARLANDS

First of all, I would like to sincerely thank the South Western Appaloosa & All Breeds Performance Club for contacting me regarding garlands!

I won my first garland in 2011, which was super exciting, my gelding RP Integrity won the open hunter under saddle at the Paint Horse Nationals and because it was my first I decided to get it box framed. It certainly is a conversation started when people come to my home. Back then, I never thought I'd get into the business of making garlands.

I was asked to make the garlands for the 2014 NPHA as my friend who was sponsoring them could not do it and since then my garland making business has taken off. Making garlands is a way for me to wind down after work and I love the fact that the colour choices I use look great on all the horses that wear them.

I make both straight and v garlands and believe that they are both affordable and attractive. And I am very happy to sponsor garlands to clubs that have supported me and my little side business. I hope that whoever wins a garland that I have made loves them just as much as I do making them.
